- ▶ 3.7mm 85° FOV Mini Lens
- ▶ Automatic White Balance & Gain
- ▶ Comes With EZ Connect Cables
- ▶ Operates In 14° F To 122° F
- ▶ Power 12 Volts DC @ 90mA

The ACEVMN320NHP4 will amaze you with its picture quality and small size. This camera is only 1 inch square making it one of the smallest single board cameras anywhere! The amazing Sony Hi-Res Super HAD chipset produces 550 lines of resolution and a very low 0.2 Lux rating. The onboard processor even adjust the white balance and gain in varying lighting conditions. This makes the camera perfect for covert applications. This camera would be perfect for installation in UAV's or even as a machine vision camera as well. Comes complete with EZ connect cables.
