

# Color 5-50mm Day/Night Camera

## Weatherproof Varifocal Performance

### in focus...

- ▶ 540 LOR Sony Super HAD
- ▶ 0.1 Low Light Lux @ F1.4
- ▶ 5 - 50mm Auto-Iris Lens
- ▶ Sleek 2.3" Diameter x 5.5" Long
- ▶ IP67 Weatherproof Housing
- ▶ Cable Management Bracket
- ▶ Power 12VDC @ 120mA

The CFC6018VF2 will give you a clear picture even in low light conditions. This is achieved with the super sensitive Sony Super HAD chipset that gives you a brilliant day time color and sensitive night time performance. With the externally adjustable 5-50mm auto-iris lens, creating the perfect shot is both fast and easy. This camera is protected with an IP67 certified weatherproof housing that makes it perfect for outdoor applications. It is also sleek enough to be installed indoors as well. The cable management bracket will further protect the cable from harassment.
