[CFC6067VF2]

in focus...

- ◆ 540 Lines 1/3" Sony CCD
- ◆ 36 Large IR LEDs @ 164' Range
- ◆ 4-9mm External Lens Adjustment
- ◆ Cable Management Bracket
- ◆ IP66 Weatherproof Rating
- ◆ 12VDC @ 700mA

(3-Axis Adjustable Bracket)

(Rear External Lens Adjustment)

The CFC6067VF offers a host of features for a Great Price! The easy-to-adjust varifocal lens can be focused and zoomed without the need to open the case thanks to the external adjustments on the back of the camera. The 36 large type IR LEDs will offer you 164' night time viewing range in total darkness. The cable management bracket will protect your cables from vandals and extreme weather conditions. This bracket is heavy duty and will allow you to adjust the angle of the camera in almost any position. This camera is perfect for almost any outdoor application with its tough IP66 rated housing, bracket and sunshield. Size is only 3.25" Diameter and 5" in Length without the bracket.
