Perfect for any house surveillance!

in focus...

- ▶ 4 Channel 1000' Wireless TX Option
- ▶ Wireless Versions Include Receiver
- ▶ Non-Functional Smoke Detector
- ▶ 380 Lines of Resolution Color
- ▶ 470 Lines of High Resolution Color

Originally developed as a method for monitoring cash registers in retail stores, this camera has evolved into one of the most versatile cameras available. At home, in the office, warehouse or manufacturing environment, this camera is available in wireless or hardwired models with a down-view camera. The ability to have up to four wireless cameras in one area makes this the perfect choice for small to medium sized businesses. All of the medium resolution color models use 1/3" 380 line CCD cameras with a wide 78° field of view. While the D/N model has a 1/3" 470 line CCD. All units include power adapters and video cables.

[CVC1027 SERIES]

specifications | CVC1027 SERIES
